

We are now offering :

## ***BROASTER FRIED CHICKEN!***

“Broasting”, is a method of preparing chicken that combines pressure cooking and deep frying, it was introduced by The Broaster® Company in 1954 and offers a fraction of the carbs, fewer calories and in most instances, less fat than the leading national brand's! Genuine Broaster® Chicken has no added MSG.

*Your Broaster® Chicken is prepared 'to order', thus being able to provide the freshest, hottest and most delicious chicken entree choice in our area!*

Prepared in house daily!  
Marinated for 12 hours, hand dipped in our *GENUINE*  
*BROASTER* seasoning, and fried golden brown!
